Letter of Recommendation Muhamed Khatib

To who it may concern,

We are pleased to write this letter of recommendation for **Muhamed Khatib**, who held the position of **organizational team member in the IT department and IT support team from 04/10/2021 to 02/12/2021**, and hence greatly contributed to the organization and realization of the largest regional Forum of Innovation, Technology and Entrepreneurship - **Sarajevo Unlimited 2021**, organized by **Networks INT d.o.o.**

During the organization and realization of the Sarajevo Unlimited 2021 Forum, **Muhamed Khatib** performed the following tasks:

- Aiding web development of the official Sarajevo Unlimited website (www.weareunlimited.ba),
- Updating website information and material,
- Providing technological support for other organizational team embers in the office in the realization of the forum,
- Providing technological support during the days of the Forum: 29/11/2021, 30/11/2021, and 01/12/2021,
- Monitoring of assigned activities on the days of the Forum: 29/11/2021, 30/11/2021 and 01/12/2021,
- Coordinating materials and presentations during the Forum,
- Collaborating and communicating with the SU21 team of volunteers,
- And all other jobs and tasks within the organization and by order of the executive program director.

As the **executive project director of the Sarajevo Unlimited 2021 Forum**, **Mirna Mekić**, I must emphasize the satisfaction I had in working with Muahmed Khatib, and I am amazed at his maximum commitment to the tasks and timely and accurate execution of said tasks.

What stands out in particular is his ability to think critically, and the positive energy with which he contributes to each working environment.

In addition to his ability to work independently, Muhammad also showed that he functions well as a team player, since he is successful communicated and collaborated with members of the organizational team and the volunteer team as a source of IT support.

Without a doubt, I recommend Muhammad Khatib and his above-mentioned skills, and I claim that he can contribute to any team.

If you have any questions I am at your disposal.

Yours Sincerely,

Mirna Mekić

Executive Director Networks INT d.o.o.
